CUIUINI			CUIUINI	Fly In Floating Cabins VI				STAND BY							+1 ft		↓	1/4"	0			
TOTAL:							49	4966	269	20	1	2	1	0								
(1) Fishing is reasonable in terms of big fish. As water levels drop during the week, it will definitely improve.																						
(2) Rain in the beginning of the week raised water levels way into the jungle. (We may be moving our Floating Cabins IV and Amazon Angel out of these waters)
